**Dear Parent or Guardian:**

The Bristol Borough School District is excited to share that we will be operating under a new provision known as the Community Eligibility Provision (CEP) for the 2026-2027 school year. All BBSD students are eligible to receive a nutritional breakfast and lunch each school day at no charge to your household. No application is required. No further action is needed.

**If we can be of any further assistance please contact us at 215-781-1000 Ext 2503**

**Kind Regards,**

**Jennifer White**  
Cafeteria Manager
