Dear Bristol Borough School Community,

Thank you for your continued support during this difficult and unprecedented time. This week, our teachers began new learning opportunities for students. I have received a great deal of positive feedback regarding the interactions from parents. I know our teachers were very happy as well. Here is what you need to know for next week:

- If you do not have internet access or need a hard copy of the learning materials, please stop by Snyder-Girotti Elementary school Monday through Wednesday next week between the hours of 9:30AM and 1:00PM.
- Information packets distributed this week cover April 1 through April 8. New packets of information will be available on April 14.
- Chromebooks are only available through a scheduled appointment, so please call the school if you still did not receive a device for your family and are in need.
- **Breakfast/lunch next week will be on Monday and Wednesday between 11:00AM and 1:00PM.**
- The district will be closed from Thursday, April 9 through Monday, April 13.

Please let us know what we can do to support you and you and your children during the coming weeks. Please stay safe and healthy.

Regards,

Rose Minniti
