Solicitor

Dear Bristol Borough School Community,   April 8, 2020

We hope you had a successful week of learning and family time with your students. Thank you for your patience and cooperation during our transition to our new education environment. Here are a few reminders for next week:

- The district will be closed from Thursday, April 9 through Monday, April 13, 2020.
- New grade/subject level packets will be available starting on Tuesday, April 14, 2020, for elementary students.
    - You may pick up a packet between 9:30AM and 1:00PM. The new packets will span information for April 14-24, 2020.
    - If you have internet access, you do not necessarily need to pick up a hard copy of the packet for your elementary students. The information covered in the packet is the same information available on the teachers' Google Classrooms and on our website.
    - If you need a packet of information for a middle or high school student, please call the school so we can make the proper arrangements.
- Chromebooks are only available through a scheduled appointment, so please call the school if you still did not receive a device for your family and are in need.
- **Breakfast/lunch meal distribution next week will be on Tuesday and Thursday between 11:00AM and 1:00PM. <u>All children</u> are welcome to participate.**
    - The following resources are available for families in need of food during the holiday break:
        - CBC Bread of Life
        - Christian Care @ Calvary
        - Soulful Blessings
        - Bristol Borough Community Action
        - Bristol Borough Elks Club is offering Easter dinner baskets
        - Fresh Connect has food available Friday, April 10th @ Bristol campus of BCCC from 12-1pm

Respectfully,

Rose Minniti
