As of October 1, 2022, and through the end of the 2022-2023 School Year, schools participating in the School Breakfast Program will be able to serve students a school breakfast at no charge. The Bristol Borough SD participates in the School Breakfast Program therefore for the remaining 2022 – 2023 school year all students will be entitled to free breakfast.

This change is only applicable to the School Breakfast Program in the 2022-2023 School Year and does not affect a student's eligibility status for lunch (free, reduced, and paid, respectively).
