

## Kindergarten Summer Activities

Dear Parents,

We have provided two reading activities and a readiness packet for your incoming kindergartener to complete over the summer. There is a non-fiction activity, *Animal Homes*, a fiction story of your choice, which will be accompanied by a story map. The readiness packet encompasses fine motor skills, phonics, and math.

We ask that you allow your child to complete all activities to the best of his/her ability. The story maps for both activities can be done using pictures. If your child is able to label pictures using words, we encourage them to take the extra step.

Over the summer we ask that you practice name writing of his/her first name, proper pencil grip, cutting and coloring just to name a few things. We ask that you also ensure that your child is able to independently use the bathroom.

We look forward to beginning your child's school experience here at Snyder-Girotti and can't wait to see what adventures await us in the brand new school year. The first day of school is Wednesday, September 7, 2022. The school day begins at 8:05 and ends at 2:40 PM.

Have a Great Summer!

# ANIMAL HOMES

If you walk through your neighborhood, you'll see houses where people live. But you'll also pass the homes of many animals—they're just not as easy to spot! Take a hike through town or a nearby natural area and keep a record of the animal homes you observe.

Keep a record!

Helpful Things to Take Along:

Date \_\_\_\_\_ Time \_\_\_\_\_

Location \_\_\_\_\_

Weather \_\_\_\_\_

- ☐ Camera
- ☐ Binoculars
- ☐ Magnifying glass

Draw and describe the animal homes you see in the boxes below.

## CAN YOU FIND:

- A tree hole
- A hole in the ground
- A bird's nest
- A leafy squirrel nest
- A big rock or log  
(look underneath!)
- A rolled-up leaf
- Holes or tunnels in tree bark
