Traffic on School Grounds:

Morning Drop Off

Please adhere to the following to ensure student and staff safety at all times:

- All traffic MUST enter the school property from the Buckley Street entrance ONLY. You will proceed around the perimeter of parking lot. Once you have reached the sidewalk adjacent to the building, students will unload at that point and walk down the sidewalk into the gym entrance. We will unload approximately 8 cars at a time so please make sure your child is ready to keep the flow of traffic moving. In addition, I ask that anyone in this car line to please refrain from using your cell phone and pay close attention to staff and students crossing the driveway. Please remember to yield to all students and staff at all times.
- If you are dropping off a kindergarten student, you may pull into the circular drive to do so in the AM only. The circular drive is NOT available in the afternoon.
- Please remember that you may park at the Grundy rink and walk your child to the gym entrance as well. Please utilize the crosswalks.
- Only buses may enter school property from Beaver Street.

Afternoon Pick Up

Students will be dismissed through several locations depending on their grade levels. This will enable you to locate your child quickly. If you have several children in various grade levels, I recommend you wait for the youngest and ask the older children to meet you at the exit of the youngest child. Please utilize parking spots in the two back lots in the afternoon. No one should park along the curb as this causes an unsafe environment for our students.

Kindergarten Dismissal: 1:55PM EL101 (Ms. DiGuiseppe) and EL102 (Ms. Bayer) will dismiss through the main entrance. EL103 (Ms. Bunda) and EL 104 (Ms. Balcer) will dismiss through the kindergarten exit (gated area used for drop off).

First Grade Dismissal: 2:40PM All first grade classes will dismiss from the kindergarten exit (gated area). Teachers will bring their classes out and line up. Teachers will dismiss each student. All parents/guardians/siblings etc., MUST wait outside of the gated area for their child.

Second Grade Dismissal: 2:40PM All second grade classes will exit through the door located closest to the circle driveway in rear of school.

Third Grade Dismissal: 2:40PM All third grade students will exit through the gym entrance in the rear of the school.

Fourth Grade Dismissal: 2:40PM All fourth grade students will dismiss through the left door of the cafeteria in the rear of the school.

Eighth Grade Dismissal: 2:25PM All 8th graders will dismiss from the exit adjacent to the Grundy Tower on the side of the building.

- All students MUST use crosswalks when crossing streets.
- Students MUST exit school property immediately following dismissal unless they need to pick up a sibling. However, friends will not be permitted to hang out when siblings are waiting for one another.
- Finally, the playground is closed in the PM. All students must report directly home following dismissal. Only students who are accompanied by their parents etc., will be permitted to use the playground at dismissal. Remember, the playground is for students 12 years and under.
