

Snyder-Girotti Arrival and Dismissal Procedures 2018-19

Welcome Back! Please see below for the drop off and pick up route for arrival and dismissal of students. All traffic must enter the school property via the Buckley Street entrance. Cars will be directed to our drop-off point in front of the gym/cafeteria. Once your vehicle is along the curb, your child is to exit the car. School personnel will assist students being dropped; all drivers must remain in their cars. Do NOT wait until your car is in front of the gym entrance to have your child exit. To exit the school property, you must proceed to Beaver Street where all traffic will turn right. If you feel the need to walk your child to the doors of the school, please park in the Grundy parking lot across Beaver Street from the school. At dismissal, the school's parking lots get very congested. You are NOT permitted to park along curbs at your convenience. You MUST park in a designated parking spot located either behind the school, adjacent to the playground or in the Grundy Lot across from Beaver Street.

Kelli Rosado

Principal, Snyder-Girotti School
