

Coming to a Bucks County Public Library Near You!

Join us for **FREE Fab Lab Summer Fun**, from the Bucks County Intermediate Unit, at select Bucks County Public Libraries this summer. The Mobile FAB LAB will offer 3 hour STEAM (Science, Technology, Engineering, Art, and Math) interactive, energized, age-appropriate learning sessions for children entering grades K-8.

Don't Miss Out! To be notified of library locations, times, and dates - please register here:
