

Name: _____

Mrs. Swiski's Computer Class

Let's talk about the INTERNET!

Write your answer to the questions below.

1. Do you have a computer at home? Is it a tower (like we have at school), or is it a desktop, or laptop, or Chromebook, or tablet?

2. How often do you use the internet? Where do you use it?

3. What is your favorite website? How often do you visit it?

4. Have you ever played online games? What is your favorite?

5. Have you ever bought anything on the internet? What was it?

Let's talk about **GOOGLE!**

We use Google all the time. As a matter of fact, we use Google so much, it has become a VERB! For example, can you Google something for me? This means can you research something on the internet, using the Google search engine.

We use Google in many different ways in our classrooms, and we use many Google Applications. Can you match the Google Icon with the Google App below? Draw a line from the Google Icon to the name of the Google App.

Google Classroom

Google Docs

Google G-mail

Google Drawing

Google Drive

Google Slides
